Jessica!

I'm so sorry that my Friday got sucked up by Olympics stuff and my weekend program.

I wanted to introduce you to Dan Halden of CD13. He's AWESOME. I mentioned to him about your group. I know that he may not be available to do this Friday, but I still wanted to connect you guys. I think you both have great energy that I love. I also believe you both have some arts backgrounds.

Dan,

Jessica runs a theater in your district, actually! She's the one I emailed you about and she's ALSO AWESOME!

I just wanted to make sure you both connected. I normally love doing talks with intern groups, but this Friday just got worse for my schedule.

Anyway, I always want to connect good people. I hope you both catch each other in person some day.

Best,  
Ryan

Thanks, Ryan!

Jessica, let's definitely connect. After this week I'll be out for two weeks, returning Monday 8/21. Could we set up a meeting for when I come back?

Thanks,

Thanks, Ryan! All good for tomorrow - we're now going to start at MOCA with a tour and then work our way through downtown ending at a tour of the Theatre at the Ace. A downtown art walkabout!

Dan, very nice to e-meet you. I would love to grab coffee! I am out of town Aug 18 - Sept 5, so let's get something on the books for September when I'm back. Tuesday, Wednesday and Thursday days are best for me.

Thanks, Fellas!  
Jessica

PS - Soooo excited that the Olympic bid went through! Will there be an amazing arts component like I've heard happened in 1984? What can I do to help?
